

## Track Six Flags Alternative Assignment

Students will complete a research paper that will be a total of 3 pages typed in 12pt font Times New Roman, double spaced. Please be sure to cite all resources in MLA format.

### Part 1

Research the history of the 6 earliest amusement parks. Be sure to include who opened them? What kind of games and attractions did they include? What made them unique? When did they open?

Must be one page.

### Part 2

Visit the following URL

**<https://themeparkfanatic.com/six-flags-great-adventure/>**

- In the link you will find information about all of the attractions and rides the Six Flags theme park has to offer.
- Write a persuasive essay that would introduce three reasons why a person should attend a Six Flags theme park.
- Be sure to include a thesis statement at the end of the introduction.
- Restate the thesis statement at the beginning of the conclusion.
- Use specific attractions and rides information that you will find on the website.
- 5 paragraphs, double spaced, MLA format

### Part 3 Physics

Part A- How is physics used in roller coasters?

Part B- How is physics used in track and other sporting events?

Use at least 3 sports as examples.

Must be one page.
